

ARTS AND CRAFTS

DIGITAL PHOTOGRAPHY

This Digital Photography workshop is a combined beginning and intermediate series, running continuously for 6 week periods, and includes the making of photographs with your digital camera, and working with your images in the desktop digital darkroom (Adobe Photoshop elements). Gain a technical understanding of the camera-computer process, and also work on developing your own personal vision through this exciting medium.

SEWING FOR YOUTH - RETURNING THIS FALL

Sew today's fashions. This beginning sewing course will provide you with the basic sewing techniques you need to create your own wardrobe and alter purchased clothing. Learn selection and use of patterns and fabrics by actually completing a garment with individualized help from the instructor. All materials should be purchased after the first class. This is an eight-week course. Sewing machines will be available during class.

SEWING FOR ADULTS – RETURNING THIS FALL

Sew today's fashions. This beginning sewing course will provide you with the basic sewing techniques you need to create your own wardrobe and alter purchased clothing. Learn selection and use of patterns and fabrics by actually completing a garment with individualized help from the instructor. All materials should be purchased after the first class. This is an eight-week course. Sewing machines will be available during class.

TOLE PAINTING – RETURNING THIS FALL

Tole painting is the folk art of decorative painting on tin and wooden utensils, objects and furniture. This class will give students instruction on different brushes and acrylic mediums and will include base coating, shading and highlighting. Addition instruction will focus on detail work and an assortment of surfaces. Materials are required to be purchased prior to the workshop and supply list can be downloaded from <http://www.picturetrail.com/painter>. <http://joycesfolkart.blogspot.com/>. Supply cost vary on projects; averaging approximately \$25.00 per project.
