TO AVOID THE RETURN OF YOUR STATEMENT, READ THE FOLLOWING INSTRUCTIONS PRIOR TO COMPLETING IT.

Although the St. Mary's Ethics Ordinance refers to the attached as a "Financial Disclosure Statement," in reality it is a "Financial *Interest* Disclosure Statement" that discloses your interests, not your financial situation. The term "Financial Interest Disclosure Statement" throughout this document is equivalent to what the Ordinance refers to as "Financial Disclosure Statement." Its purpose is to reveal *potential* conflicts of interest related to your county service.

This document covers service during calendar year 2011. It is required by the St. Mary's County Public Ethics Ordinance *even if your service was discontinued prior to the end 2011.*

PLEASE READ CAREFULLY THE "GUIDANCE" INTRODUCING EACH SCHEDULE and note, in addition, the following:

1. Completion of the document requires **your signature sworn in person before a notary public whose signature AND seal must appear** on the Declarations of Personal Data page. Most banks and law offices have employees who are notaries. If you cannot find a notary, someone at the Governmental Center in Leonardtown may be able to notarize your statement. Unattested statements are returned to the filer.
2. **Your name must appear at the top of each Schedule.** FAILURE TO COMPLY WITH THIS REQUIREMENT WILL CAUSE YOUR FORM TO BE RETURNED.
3. The boldface question on each Schedule must be answered by checking the "Yes" or "No" block. If you answer "Yes" you must complete the Schedule.
4. If there is insufficient space on any Schedule, you may attach additional information on a plain piece of paper with your name and clear indication of the Schedule to which the answers are addressed. The attachment becomes a part of the sworn statement.
5. **Failure to abide by filing requirements will result in the return of the form to you for proper completion.**

It is advisable to keep a copy of the completed, signed, notarized form for your records.

The St. Mary's County Public Ethics Ordinance, Section 3, contains the following definitions that will help you complete accurately the accompanying Statement and Schedules.

"Financial interest" means:

- A. Ownership of any interest as the result of which a person has received, within the past calendar year, or is presently receiving, or in the future is entitled to receive more than \$1,000 per calendar year; or
- B. Ownership of or interest in more than five percent (5%) of a business entity.

"Interest" means any legal or equitable monetary interest, whether or not subject to an encumbrance or a condition, which is owned or held, in whole or in part, jointly or severally, directly or indirectly.

"Interest" does not include:

- A. An interest held in the capacity of a personal representative, executor, administrator, agent, representative, custodian, fiduciary or trustee;
- B. An interest in a checking account or time or demand deposit in a financial institution;
- C. An interest in an insurance or endowment policy or annuity contract under which a company promises to pay a fixed number of dollars either in a lump sum or periodically for life or some other specified period; or
- D. A common trust fund or a trust which forms part of a pension or profit-sharing plan which has been determined by the Internal Revenue Code, as amended from time to time.

"Business entity" means corporation, general or limited partnership, sole proprietorship, joint venture, unincorporated association or firm, institution, trust, foundation or other organization, whether or not operated for profit.

- B. Being registered as a lobbyist in accordance with Section 8 of this Ordinance; or
- C. Being regulated by the County or an agency thereof.

“Gift” means the transfer of anything of economic value, regardless of the form, without adequate and lawful consideration. “Gift” does not include the solicitation, acceptance, receipt or regulation of political campaign contributions regulated in accordance with the provisions of Article 33, Section 26-1 et seq., of the Annotated Code of Maryland or any other provision of state or local law regulating the conduct of elections or the receipt of political campaign contributions.

“Honoraria” means the payment of money or any thing of value for:

- A. Speaking to, participating in or attending a meeting, conference or other function; or
- B. Writing an article, other than a book, that has been or is intended to be published.

“Compensation” means any money or thing of value, regardless of form, received or to be received by any person subject to this Ordinance from a business entity for service rendered. If lobbying is only a portion of a person’s employment, “compensation” means a prorated amount based on the time devoted to lobbying compared to the time devoted to other employment duties. For reporting purposes, a prorated amount shall be labeled as such.

“Official” and/or “Employee” means any person elected to, appointed to, or employed by St. Mary’s County or any St. Mary’s County agency, board, commission, or similar entity, whether or not paid in whole or in part with St. Mary’s County funds, and whether or not compensated.
