SPRING 2012 BASEBALL/SOFTBALL PROGRAMS

Sports program opportunities are offered through a combination of St. Mary's County Recreation and Parks sponsored programs and through volunteer youth sports leagues.

Opportunities are divided by age, geographic location and specific sports. Please review all the information below to be sure you find the opportunities offered for your area. In some areas, programs overlap giving you more than one choice for the same sport. For example: several organizations offer T-Ball in the same area giving you a choice of programs to choose from. In cases where more than one program is offered in your area, please call each of the organizations to determine which program you prefer.

All programs are filled on a first come, first serve basis. Click on Registration Forms for complete registration information and links to all registration forms for printing.

All programs are subject to cancellation/change. All prices and dates are also subject to change.

Cancellations due to weather will be announced on local radio stations (WPTX AM 92-WMDM FM 97.7, WSMD FM 98.3-WKIK 102.9) and will be posted on St. Mary's County Recreation and Parks homepage announcements when available.
