

**BENEFITS OF RECREATION  
AND PARKS**

**Individual** -- Improving health and wellness, building self esteem, providing alternatives to self destructive behavior, reducing stress and providing opportunities for learning and living a more balanced productive life

**Community** -- Building stronger families, reducing loneliness and alienation, enhancing community spirit, reducing crime and promoting ethnic and cultural harmony.

**Economic** -- Attracting business relocation and expansion, contributing to healthy and productive work forces, attracting tourist and retirees and enhancing real estate values.

**Environmental** -- Protecting natural resources and open space areas, enhancing air and water quality, reducing congestion, providing and protecting wildlife habitat and improving overall community livability
