RE: Local Technical Assistance Program CDFA 11.303

Dear Ms. Pironis:

The Commissioners of St. Mary's County, along with the government offices of multiple jurisdictions and municipalities touching the Chesapeake Bay, agrees in principle, with a passenger ferry feasibility study as detailed in the EDA Planning and Local Technical Assistance Programs (EDA-PHI-TA-PRO-2021-2006851) grant submitted by Visit Annapolis & Anne Arundel County.

The total amount of project matching funds is not to exceed \$125,000 (or 50% of the \$250,000 grant request). St. Mary's County will fund an equal portion of the matching requirement, not to exceed \$25,000.

The match is available for the life of the project, is unencumbered, is committed to the *Bay Bridge Ferry Feasibility Study*, and is not represented by any federal funds.

Please feel free to contact Chris Kaselemis to discuss this matter further at 301 475-4200, Ext 1405 or email [Chris.Kaselemis@stmarysmd.com](mailto:Chris.Kaselemis@stmarysmd.com).

Sincerely,  
COMMISSIONERS OF ST. MARY'S COUNTY
