PUBLIC HEARINGS

VAAP #08-0219 - Aley

The applicant is requesting an after-the-fact variance to add lot coverage in the Critical Area Buffer with a walkway, porch, driveway; variance to disturb the Critical Area Buffer to construct a deck and add new lot coverage for a detached garage and to expand existing appurtenances; and variance to disturb steep slopes. The property contains 4.74 acres; is zoned Residential Neighborhood Conservation district (RNC), Limited Development Area (LDA) Overlay; and is located at 27190 Cat Creek Road, Mechanicsville, Maryland; Tax Map 14, Grid 18, Parcel 361.

Owner: Richard and Theresa Aley

The property and variance requests were advertised in The Enterprise on January 7, 2009 and January 14, 2009.

Mr. Aley gave a brief overview of the request stating he wishes to construct a garage and a deck. Ms. Neale stated she noticed the steep slopes on the property. Mr. Aley stated this is why the deck was downsized and the garage moved to the driveway side of the house on the plans. Mr. Miedzinski asked if the deck would be located in the rear of the home. Mr. Aley stated yes it would provide a deck for the kitchen door. Mr. Miedzinski asked if this is a rental property. Mr. Aley stated yes. Mr. Miedzinski asked if anything would be done to stabilize the slopes. Ms. Chaillet stated a silt fence would be used during construction to minimize runoff.

Ms. Chaillet read the staff report which recommended approval of each request. Ms. Neale made a motion to accept the staff report as findings of fact in this case and Mr. Edmonds seconded. The motion passed by a 5-0 vote.

Chairman Thompson opened the hearing to public comment. Mark Wyler asked if the garage would be attached to the home itself rather than being located elsewhere on the property. Mr. Aley stated the garage would be attached to the home. Chairman Thompson closed the hearing to public comment.

Ms. Neale made a motion in the matter of VAAP #08-0219, having made a finding that the standards for granting a variance in the Critical Area and the objectives of Section 71.8.3 of the St. Mary's County Comprehensive Zoning Ordinance have been met, I move to approve the variance request to disturb and add lot coverage to the Critical Area Buffer and to approve the after-the-fact lot coverage in the Buffer subject to adherence to a Critical Area Planting Agreement and Planting Plan and Mr. Edmonds seconded. The motion passed by a 5-0 vote.

Mr. Miedzinski made a motion in the matter of VAAP #08-0219, having made a finding that the standards for granting a variance in the Critical Area and the objectives of Section 71.7 of the St. Mary’s County Comprehensive Zoning Ordinance have been met, I move to
approve the variance request to disturb steep slopes subject to adherence to a Critical Area Planting Agreement and Planting Plan with the following conditions:

1. The 21 x 10 foot deck have quarter inch spacing between the slats, and
2. A silt fence be placed around the rear of the house during construction to minimize runoff.

Mr. Edmonds seconded and the motion passed by a 5-0 vote.

VAAP #07-131-054 – Tidewater Dental
The applicant is requesting variance to reduce the rear yard setback and the side yard setback on the south side of the property to construct a shed. The property contains 20,000 square feet; is zoned Downtown Core Mixed Use District (DMX); and is located at 21534 Great Mills Road, Lexington Park, Maryland; Tax Map 43a, Parcel 85.

Owner: Retawedit Properties, LLC
Present: Mark Cohen

The property and variance request were advertised in The Enterprise on January 7, 2009 and January 14, 2009.

Mr. Cohen gave an overview of the case stating this is an unfortunate set of events. Ms. Chaillet read the staff report which recommended approval of the request to reduce the side yard setback on the south side of the property from 10 feet to two feet and to reduce the rear yard setback from 20 feet to 19 feet to construct a 640 square foot shed. Mr. Miedzinski asked when the renovation was done on the building. Mr. Cohen stated the interior renovation was done in 1994.

Ms. Neale made a motion to accept the staff report as findings of fact in this case and Mr. Miedzinski seconded. The motion passed by a 5-0 vote.

Chairman Thompson opened the hearing to public comment, hearing none, closed the hearing for public comment. Mr. Miedzinski stated he visited the site and the soil is stable and everything looks good. Ms. Neale agreed.

Ms. Neale made a motion in the matter of VAAP #07-131-054, having made a finding that the standards for granting a variance and the objectives of Section 32.1 of the St. Mary’s County Comprehensive Zoning Ordinance have been met, I move to approve the variance requests to reduce the side yard setback on the south side of the Property from 10 feet to two feet and to reduce the rear yard setback from 20 feet to 19 feet for a 640 square foot shed as constructed and Mr. Edmonds seconded.
