PUBLIC HEARING: TO CONSIDER A SUPPLEMENTAL APPROPRIATION IN THE AMOUNT OF $99,561 FOR THE WICOMICO SHORES GOLF COURSE

Present: Elaine Kramer, CFO  
Phil Rollins, Dir., Dept. of Recreation and Parks

Commissioner Russell opened the public hearing at 10:30 am. Ms. Kramer provided opening comments. The public hearing was advertised in the March 20 and 27, 2009, editions of the Enterprise newspaper.

The Department of Recreation and Parks is requesting consideration for a supplemental appropriation of $99,561 for the Wicomico Shores Golf Course due to over estimating revenues and under estimating expenses for Fiscal Year 2009. An additional $69,450 is
spending authority was requested, due mainly to the initial start-up costs associated with opening the new kitchen; i.e., kitchen equipment, dishware, and materials. Also, there is a projected revenue shortfall of $30,000 in the overall operation of the facility. The deficit will be offset from the Golf Enterprise Fund Balance, which is currently approximately $300,000.

Commissioner Jarboe questioned a contingency plan in the event the budget amendment is not approved by the BOCC and stated his preference to have the restaurant facility operated by a private contractor. Discussion ensued comparing the restaurant facility to the Breton Bay Golf Course operation and viewpoints for privatizing operations at Wicomico Shores.

Commissioner President Russell opened the hearing for public comment at 10:38 AM.

Public Testimony

Cynthia L. Jones, P. O. Box 406, Valley Lee, MD

Expressing concern for better use of tax dollars and that Government should not be running a business, Ms. Jones provided testimony opposing the supplemental appropriation.

*It was clarified that tax revenue would not be used; the funding source, if approved by the Board, will be the Golf Enterprise Fund Balance.*

Commissioner President Russell closed the hearing for public testimony, declared the 10-day open record period, and subsequently closed the public hearing at 10:41 am.

ELMS ADVISORY COMMITTEE REPORT

Present: Phil Rollins, Dir., Recreation and Parks

The following Elms Advisory Committee (EAC) voting members were in attendance:
- Sandra Patty, Power Plant Research Program, MD Dept. of Natural Resources (DNR)
- David Heilmeier, So. Region Mgr., Wildlife and Heritage Service, DNR
- Mark Muir, Forestry Service, DNR
- Phil Shire, Acting Director, Dept. of Land Use and Growth Management
- Brad Clements, Chief Operating Officer, St. Marys Co. Public Schools
- Marianne Chapman and Steve Riley, Citizens

Mr. Rollins is a committee member and acting chair on behalf of the Director, Land Use & Growth Management. Mr. Rollins stated that the purpose of today's report is twofold: to provide the annual report and to foster discussion about the hunting issue.

The 1,020-acre Elms property was acquired as a future power plant site by the State and is currently being used for environmental education, recreation, wildlife management (hunting), and forestry management.

The Elms Management Plan, adopted March 11, 2003, establishes uses of the property, placing emphasis on environmental education and recreation. The Plan served as the basis to a new, 25-year lease (effective 6/1/2004) between the Maryland Department of Natural Resources (DNR) as the landlord, and the County (BOCC) as the property's tenant.

The new lease area increased in size from about 230 acres (75 acres for environmental education, 80 acres for Elms Beach Park, and 75 acres for hunting safety zone) to about 476 acres. The State management property, on which hunting is permitted, was reduced from 790 to 544 acres.

Mr. Rollins presentation included a walk-through of the previous lease lines (designating the environmental education, recreation, hunting permitted and safety zone areas).

It was clarified the lease stipulates the property shall be occupied and used for and only for use as a non-profit educational center and beach-related recreational area. Other uses of the leased property have to be mutually agreed to; i.e., by the State (DNR) and the County. The committee does not feel hunting is a beach-related recreational use.

During the previous report to the BOCC on July 31, 2007, the BOCCs direction was to look for compromise.
A proposed Future Use Areas, Field Sites, and Trail Additions map prepared by the Board of Education was presented. This map serves as the basis for the committees recommendation regarding hunting. The map contains outdoor classrooms (designated as use areas). Mr. Rollins reviewed hunter proposal considerations, which were rejected by the EAC.

The EAC proposal (committee voted 7 for-1 against -1 abstain for the compromised proposal) includes allocating a 13-acre area open to hunting with an additional 64 acres available after demolishing deteriorated and abandoned houses. Mr. Heilmeier stated that DNR did not commit to managing hunting on the 13 acres. DNR Wildlife and Heritage Service was not present at the committee meeting when the vote was made. Mr. Heilmeier further stated DNRs reluctance with facilitating hunting on school property, additionally stating the rule of thumb is 25 acres per hunter. However, it was noted that the abandoned houses would not need to be demolished in order to allow hunting in the additional 64 acres. It was further noted that 850+ acres of State property was opened in fall 2007 on Indian Bridge Road, known as the Salem tract (which is approximately within 12 miles of the Elms Beach property). Hunting is also permitted at the St. Marys River State Park which is nine miles way.

After much discussion regarding property use and safety, Commissioner Russell said a decision would not be made today and that the information will need to be further reviewed by the Board.

**FINAL APPROVAL OF RECOMMENDED FY 2010 BUDGET TO TAKE TO PUBLIC HEARING ON APRIL 21, 2009**

Present: Elaine Kramer, CFO  
Jeannett Cudemore, Deputy Director, Dept. of Finance

Although additional State cuts may be forthcoming though the middle of April, the FY2010 Recommended Budget was presented for approval to take forth to public hearing on April 21, 2009.

Ms. Kramer highlighted the following elements of the FY2010 Recommended Budget:

**General Fund:** $200,391,552 (a 1.1% decrease to FY2009 approved general fund)  
The general fund is comprised of revenues total $196,291,552 (a 2.7% increase over FY2009, and includes the application of $4,100,000 in fund balance.)
Enterprise Funds:
Recreation and Parks Activity Fund: 2,683,234
Wicomico Shores Golf Fund 1,887,415
Solid Waste and Recycling 4,166,364
Medical Adult Day Care Fund 953,287

Special Revenue Funds
Misc. Revolving Fund 313,761
Special Assessment Fun 59,664
Emergency Services Fund 1,859,156

Other Operating Funds Independent Boards
(Non-Appropriated State, Federal, and Misc. Funds)
BOE Gen. Operating Fund 98,818,157
BOE Restricted Fund 9,543,738
BOE Revolving Fund 9,210,639
Board of Library Trustees 977,750
College of So. MD 7,014,370

Total Operating Fund: $337,879,087
Total Capital Projects Fund: $42,285,639

Commissioner Mattingly moved, seconded by Commissioner Raley, to approve the FY2010 Recommended Budget, as presented and summarized on the Total Budget schedule in our packages, to take to public hearing on April 21, 2009; and to sign the Recommended Estimate of Revenues and Appropriations evidencing our approval of the Recommended Budget. Motion carried 3-1 (Commissioner Jarboe voted nay). Commissioner Jarboe expressed his appreciation that the Board of Educations budget submission is 5% less than last year even though they are bringing a new school on line.

OFF CAMPUS LUNCH AND TOUR

The Commissioners visited Cedar Lane Apartments for lunch and a tour of the facilities, located at 22680 Cedar Lane, Leonardtown. The Commissioners then visited the site of the new Hospice Building.
