

Q's & A's

Q. Do I need a sticker to use the landfill or convenience centers?

A. Yes. A Residential Disposal Permit Sticker is needed. A simple application must be filled out at any of our facilities; vehicle registration and/or proof of residency required.

Q. Do I have to pay to use the Convenience Centers?

A. No. Residents can throw away the equivalent of up to four (4) - 35 gallon containers of solid waste into our solid waste compactors and an unlimited amount of recyclables into our recycling containers.

Q. Will someone be there to help?

A. Yes. An attendant is located at every site to help you with your recycling and solid waste disposal needs.

Q. What items are not acceptable at the convenience centers and must be disposed at the St. Andrews Landfill?

A. The compactor transfer trailers cannot accept yard waste, masonry products, scrap metal and appliances, scrap tires, gas cylinders, liquid waste, furniture, construction & demolition debris, carpet/padding, animal carcasses, burned material(s) and contractor waste. The bulky items mentioned above can damage the integrity of the trailer, jam the sweeping blade or prematurely fill the trailers, thus possibly causing the convenience center to temporarily shut down until the trailer is replaced.

Q. Are there any disposal fees at the St. Andrews Landfill?

A. Yes. Residents are charged \$10.00 per pickup load (1/4 ton) at the landfill. Loads in excess of this will be weighed and charged \$65 per ton for solid waste materials and \$40 per ton for yard waste materials (Effective July 1, 2012). Up to 5 passenger car/light truck tires may be disposed free of charge per load or \$158.00 per ton for excessive size tires & loads. In addition, appliances "white goods" such as refrigerators, freezers, washers, dryers, stoves, hot water heaters and air conditioners are accepted free of charge.

Q. How do I properly dispose and/or recycle Household Hazardous Waste (HHW)?

A. The County conducts multiple HHW collections events each year during the late summer and early fall at the St. Andrews Landfill. Items such as Gasoline, Gas/Oil Mixtures, Brake Fluid, Fuels, Acids, Cleaners, Solvents, Bleach, Ammonia, Pool Chemicals, Photography Chemicals, Household and Lawn Pesticides, Paint, Paint Thinners, Mercury Thermometers, and Wood Preservatives. Please call the Department of Public Works & Transportation or visit the website for an event schedule.

FACILITIES

❖ **ST ANDREWS LANDFILL** The Landfill is located on St. Andrews Church Road, MD Route 4, approx. ¼ mile south of the MD Route 235 intersection, on your left.

❖ **HOURS OF OPERATION**

Monday-Saturday

8:00 am to 4:30 pm.

Closed Sunday

❖ **CONVENIENCE CENTERS**

❖ **CHARLOTTE HALL** Located off MD Route 6 approx. ¼ mile east of the intersection with MD Route 5, on your left.

❖ **OAKVILLE** Located off MD Route 472 approx. ¾ mile east of the intersection with MD 235, on your right.

❖ **CLEMENTS** Located off Horseshoe Road ¾ mile west of the MD Route 234 intersection, on your left.

❖ **ST. ANDREWS** Located on MD Route 4 approx. ½ mile south of the intersection with MD Route 235, on your left.

❖ **VALLEY LEE** Located on Happyland Road approx. one mile east of the MD Route 249 intersection, on your left.

❖ **RIDGE** Located on MD Route 5 approx. 2 miles north of the intersection with MD Route 235, on your left.

❖ **HOURS OF OPERATION**

Monday-Friday

9:30 a.m. to 5:00 p.m.

Saturday and Sunday

8:00 a.m. to 5:00 p.m.
