Kickball

Recreation & Parks Adult Kickball League brings a fresh new twist to the adult recreational sports scene. Kickball... yes, just like you played in 5th grade. This great playground pastime is now back for adults 18 and older to enjoy. We encourage rivalries, cheering, and general fun; but if you are an individual looking for an extremely competitive sport, our leagues may not be for you. The idea behind kickball - past and present - is to have fun first, win second. Win or lose, what's better than being out there having fun with friends? Registration opens each Spring and games are played June-August. [Co-Ed Adult Kickball League](#)
