Purpose

Sports are one of the greatest tools that exist in today's society to help children develop positive character traits and life values. Under the right conditions, many youth sports experiences can be enormously beneficial, teaching the importance of teamwork, cooperation, and hard work, among many other qualities.

A model youth sports program is not something that anyone should just hope turns out well, because there is simply too much at stake when a child's emotional and physical well-being is involved. A top quality youth sports program is a positive reflection on the entire community and something that everyone can be proud of.

The Recreation & Parks Department recognizes that youth sports are an integral part of the lives of many of the families in St. Mary's County where a safe, fun and enriching experience is the primary goal.

In St. Mary's County, volunteer youth sports leagues and Recreation & Parks operated leagues provide recreational opportunities for over 10,000 youth placed on more than 1,000 different teams. Thousands of volunteers (coaches, parents, and Board Members) administer and operate these leagues on a daily basis. Registration costs, fundraising, and league policies are decisions made by each league's volunteer board.

Benefits of youth sports

Participation in youth sports, whether it be school related or with a local organization, can clearly be a constructive force in the lives of student athletes. It is important that parents and coaches recognize that youth sports presents a unique opportunity for introducing and reinforcing positive life lessons which will prepare our children for the future.

Adults who emphasize good sportsmanship help young athletes take pride in their accomplishments and in their improving skills, so that the kids see themselves as winners, even if the scoreboard doesn't show the numbers going in their favor. The best coaches and parents encourage their kids to play fair, to have fun, and to concentrate on helping the team while polishing their own skills.

By participating in sports, the young athlete will:

1. Develop skills needed to socialize with their peers as well as adults.
2. Develop independence and confidence.
3. Develop a sense of achievement, which helps develop a positive self-image.
4. Develop leadership skills and qualities.
5. Learn how to cooperate and compete.

6. Develop agility, coordination, endurance, flexibility, speed and strength.
7. Develop the ability to make decisions and accept responsibilities.
8. Learn to understand and express emotions, imagination, and appreciation for what the body can do.
9. Develop an interest in continuing sports participation as an adult.

Standards

To insure a high standard for child safety and positive youth development within youth sports leagues, the Board of County Commissioners approved the Raising Community Standards in Youth Sports initiative in March 2006.

Article 1: Two youth sports league administrators in each league must be certified in the National Youth Sports Administrators Association (NYSAA) Program.

Article 2: The head coach and at least one (1) assistant must complete a youth coaching program with either the National Youth Sports Coaches Association (NYSCA) or otherwise approved program.

Article 3: The head coach and ALL assistant coaches, if more than one coach is assigned to a team, must pass a yearly criminal background check completed by Southeastern Security Consultants (SSCI).

Article 4: All parents must sign a Parents Code of Ethics developed by the league or with St. Mary's Recreation & Parks statement prior to their child participating.

Article 5: All St. Mary's County parks are tobacco free. No smoking, vaping or use of any other tobacco or nicotine products are permitted.

Article 6: Two youth sports league administrators in each league must be certified by the *CDC's Heads Up: Concussion in Youth Sports* program.

Article 1: League Administrators

The National Youth Sports Administrators Association (NYSAA) program provides training, information, and resources for volunteer administrators such as league presidents, boards, commissions and representatives. The NYSAA program works to help administrators set and maintain high standards for their youth league for the benefit of the children in their care. The training addresses issues that administrators face every day, such as recruitment of coaches and volunteers, risk management, insurance, fundraising, and parent involvement.

1. The Sports Coordinator will schedule administrator training dates each sports season.

2. All fees related to administrator and coaches training are paid for by the individual leagues.
3. Failure to comply with participation in the training program could result in revocation of field use permits to leagues.

Initial Level Membership

Youth sports administrators participate in the interactive NYSAA Online Clinic, successfully complete each of eight section quizzes and sign the NYSAA Code of Ethics Pledge.

The clinic topics address issues that administrators face every day from managing volunteer coaches to marketing and fundraising.

After completing the NYSAA training administrators qualify for an annual membership, which includes a \$1,000,000 excess liability insurance policy; a \$2,000,000 Directors & Officers Liability insurance policy; access to members-only resources; SportingKid Live!; a monthly member e-newsletter; a member ID card; and corporate discounts on everyday services like car rentals, hotels and more.

Continuing Education

Administrators receive a membership renewal notice each year. To continue NYSAA membership, the member must re-sign the NYSAA Code of Ethics Pledge and remit a \$15 renewal fee. There are no additional training clinics to complete. Administrators who renew their membership with the NYSAA continue to receive all benefits listed above. An updated NYSAA membership card will be mailed.

Article 2: Coaching

Coaching Guidelines

1. Head coaches are responsible for all administrative requirements relative to Head Coach's Pledge, background checks for assistant coaches (youth only), and completing training requirements.
2. A head coach, at least 21 years of age, or assistant coach, at least 18 years of age, must be present at all youth practices and games.
3. Coaches are responsible at all times for the conduct of any person associated with their team.
4. Coaches are responsible for controlling their spectators. A coach may be subject to disciplinary action for failing to appropriately intercede to stop spectator abuse of an official or player.
5. Coaches are responsible for reading and understanding league-specific rules and instructing all players as to these rules.

6. A coach who refuses to provide the name of an ejected player and/or coach to departmental personnel or game officials will be subject to disciplinary action.
7. An assistant coach is defined as an individual who has been given the authority and responsibility by an organization or head coach to instruct the team.
8. All head coaches must hold a Coach, Athlete and Parent (CAP) meeting prior to the beginning of the season, at which time the Parent's Pledge must be fully discussed.
9. All head coaches in County-sponsored youth athletics must sign a Coach Code of Conduct prior to the start of the season. This is appendix B of the Community Standards Guidelines.

Coaches Education

The National Youth Sports Coaches Association (NYSCA) is a membership organization and the most widely used volunteer coach training program in the nation, having trained more than 2.5 million coaches since its inception in 1981. More than 3,000 community-based agencies and organizations have offered this opportunity.

The Department of Recreation and Parks offers instructional clinics for coaches in several of its youth sports. For further information regarding these clinics, contact the Department's Sports Office at 301-475-4200 ext. 1803.

The NYSCA volunteer coach training program is designed to sensitize volunteer coaches to their responsibilities and hold them accountable to a strict Code of Conduct defined by the NYSCA Coaches' Code of Ethics Pledge.

1. Teams in each league must have the head coach and one assistant coach, if more than one coach is assigned to a team; participate in a positive youth sports development training program. The NAYS training program is preferred but leagues may conduct a comparable training program which must be approved by the Sports Coordinator at least two months prior to the league's practice season.

Initial Level Membership

After completion of the NYSCA clinic, coaches become full members of the National Youth Sports Coaches Association. As members, coaches receive many outstanding benefits to support them throughout their time as a youth sports coach.

All NYSCA members receive a high quality membership card with key tag. Cards include the member's name, membership ID, each sport completed, and expiration date.

Each NYSCA Initial Level member receives \$1,000,000 excess liability insurance coverage in case he/she becomes liable for an occurrence while coaching.

Coaches gain access to a members-only section of the NAYS Website, with coaching resources and additional training opportunities. These include a Resource Library, Coach Rating System, Skills and Drills section, and a coaching Forum. Coaches have the ability to complete several additional trainings at no cost, including Concussion Awareness, Bullying Prevention, Protecting Against Abuse and Coaching Children with Mental Health Challenges.

Through partnerships with reputable companies, NYSCA members may participate in corporate discounts and exclusive programs.

Continuing Membership Program

Prior to their membership's expiration date, coaches will receive an annual renewal notice to continue their NYSCA membership benefits. To continue membership, the member re-signs the Coaches' Code of Ethics Pledge and remits a continuing membership fee.

NYSCA members also have the ability to renew their membership for multiple years at a discounted rate.

ID Cards and Badges

Coach ID cards are issued by the Sports Coordinator and are valid for 1 year. Cards are applicable to all sports coached in St. Mary's County facilities. To obtain an ID card, a volunteer must complete and pass a criminal background check conducted by SSCI. Coaches who also complete training will be marked accordingly. Cards must be displayed in badge holder supplied by Recreation & Parks. The ID card and badge must be displayed during ALL practices and games.

Article 3: Criminal Background Check

As a prerequisite for participation, any adult who has care, custody or control of youth participants in any youth sports program or activity is required to successfully complete a

background check through St. Mary's County Department of Recreation and Parks. Recreation & Parks policy is that the background checks are valid for one year.

Recreation and Parks department maintains a list of screened volunteers on the web site. After formation of teams, each coach is required to submit the names of all assistants and other volunteers to the league president or designated individual. Those without a current background check on file must submit a new form to the league president or designated individual for forwarding to the Sports Coordinator for processing through Southeastern Security Consultants, Inc. (SSCI). Only previous checks performed by St. Mary's County, not other counties or states, will be considered valid.

Coaches who are unable to attend practices or games may not leave children in the care of a substitute unless that substitute has been screened and their name appears on the list of approved volunteers on the Recreation and Parks website. Coaches must cancel practices when an approved volunteer is not available to attend practice.

Disqualifying Offenses

A person will be disqualified and prohibited from serving as a volunteer if he or she has been found guilty or has entered a plea of guilty or nolo contendere (no contest), regardless of the adjudication for any of the disqualifying offenses. A review process of the disqualifiers will be conducted on an as needed basis and will be reviewed by the Recreation & Parks Board.

Examples: Contributing to the delinquency of a minor, providing alcohol to a minor, theft - if a person is handling monies, etc.

8. **Open Charges** - Persons with any open charges for disqualifying offenses shall be restricted from volunteering until the active case is brought to resolution or the charges are dropped.

Responsibility for Compliance

It is the responsibility of each organization that utilizes county fields or facilities to fully comply with the background check program. Failure to comply could result in revocation of field use permits.

The following list is provided to assist community leaders in determining who must undergo a criminal history records check prior to participating (i.e. before the first practice for coaches) in a youth activity or program. Organizational leaders are expected to check the database on the website to ensure all adult volunteers have completed a criminal history records check prior to participating (i.e. before the first practice for coaches). This list serves as a guide and is not all-inclusive.

To initiate a criminal history records check, the individual must complete and sign an SSCI Authorization and Release form. This form can be downloaded from the Recreation & Parks website or can be completed online at www.stmarysmd.com/recreate. The release form must be completed legibly in its entirety. Any missing information will prevent or delay the criminal history records check process. Refusal to provide all required information will result in the individual being prohibited from participation in youth programs or activities.

All consent and release forms are sent to Southeastern Security Consultants, Inc. (SSCI), to conduct the background reports. Name based criminal background checks and sex offender searches will be conducted and profiles will be returned within 2-5 business days. The screening will include social security verification, address trace, a statewide criminal record check, a nationwide (47 states) criminal record check through the National Background Directory, and sex offender registry record check.

Time frame for criminal history records check

All reported arrest and conviction information which is readily available at the courts and which is legally reportable under the federal fair credit reporting act and state reporting laws is accessible to Recreation & Parks.

Confidentiality

Although adult criminal records are public knowledge, information received during the criminal history records check process will be shared on a “need to know” basis only. Individuals may view a copy of their criminal history records check upon written request and proper identification.

If a background report is returned to Recreation & Parks with a criminal conviction that would disqualify an individual from becoming a youth sports volunteer, the Sports Coordinator will contact and inform the applicant and the appropriate league representative. All reports are valid for one year. All volunteer information and report status will be recorded in the background check program database. Background check results must be reviewed by Recreation & Parks before volunteers are permitted to have contact with children.

Appeals

If an individual disputes the accuracy or completeness of any information reported in the criminal history records check, they have a right to request a reinvestigation, unless the

dispute is deemed frivolous. To make an appeal, the disqualified individual must do the following:

1. Make an appointment to meet with the Community Standards Coordinator and the Recreation Division Manager to discuss disqualification(s).
2. Volunteer will be notified of decision within 2 business days of appointment.
3. If volunteer wants to appeal this decision, they can do so **in writing** to the Director of Recreation and Parks.
4. The Director will give a final decision, in writing, within 5 business days of receiving the correspondence.

Non- Compliance Measures

It is the responsibility of each organization that participates and is granted the use of a St. Mary's County recreational facility to fully comply with the Community Standards Program. Each organization must sign an annual acknowledgment of the receipt of departmental policies.

The matrix below serves to address non-compliant coaches within a sports organization. Organizations and/or their members that knowingly or unknowingly violate the Community Standards Program are subject to disciplinary measures that may include, but are not limited to:

- Restricted or Loss of Field Use Permits
- Loss of Use of Buildings (i.e. Concessions, Utility Building, Storage Shed, etc.)
- Organizational Probation

*Additional disciplinary action may apply for repeat infractions by an individual or league

Article 4: Parents and Spectators

It is expected that all parents and spectators demonstrate positive behavior during all youth sporting events. If negative and inappropriate behavior occurs it is recommended that those involved are asked to leave the spectator area immediately by league representatives. Parents must sign a Parents Code of Conduct (Appendix A) prior to their child participating and a copy should be kept on file with the league for the entire season.

Disciplinary Actions

The Department of Recreation and Parks has the authority to impose disciplinary sanctions for unsportsmanlike behavior and/or non-compliance with departmental policies, guidelines or standards. This authority is not limited to programs sponsored by Recreation & Parks.

Tobacco free means no smoking, vaping or use of any other tobacco or nicotine products. For more information visit www.stmarysmd.com/tobaccofree.

Article 6: Concussion Awareness

Maryland House Bill (HB) 858 and Senate Bill (SB) 771 were signed into law by Governor O'Malley on May 19, 2011.

HB 858 and SB 771 provide protections for youth athletes who are suspected of incurring a concussion during practice or play. Any such athlete will be removed from practice or play and returned only after clearance by an appropriate licensed health care professional. This applies to sports events played on public school and park property.

A youth sports program that uses a public school facility must annually provide the Board of Education a statement of intent to comply with the bill's requirements for the management of a concussion or other head injury of a participant. Before a youth sports program may use a facility owned or operated by a local government, the local government must provide notice to the youth sports program of the requirements of the bill. A youth sports program must also make the information on concussions available to coaches, young athletes, and parents.

A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth. Concussions can occur in any sport or recreation activity. A concussion can have long term impacts on young athletes such as their health, memory, learning and even their survival.

Symptoms of Concussions

The following are a list of symptoms that may suggest a concussion has occurred.

- Headache
- Confusion
- Difficulty remembering or paying attention
- Balance problems or dizziness
- Feeling sluggish, hazy, foggy, or groggy
- Feeling irritable, more emotional, or “down”
- Nausea or vomiting
- Bothered by light or noise
- Double or blurry vision
- Slowed reaction time
- Sleep problems
- Loss of consciousness

What Should You Do If You Think a Concussion Has Occurred

1. Seek medical attention right away - A health care professional will be able to decide how serious the concussion is and when it is safe to return to play.
2. Do not return to play until medically cleared - Concussions take time to heal. Don't return to play until a health care professional says it's OK. Children who return to play too soon while their brain is still healing risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting the injured student-athlete for a lifetime.
3. Inform all coaches about any recent concussions - Coaches should know if an athlete has had a recent concussion. The coach may not know about a concussion in another sport or activity if he or she is not informed by the parent, guardian or athlete.

League Responsibilities

Leagues Shall:

1. Comply with all aspects of the Community Standards Guidelines.
2. Purchase general liability insurance with a minimum coverage of \$1,000,000 per occurrence and name the St. Mary's County Recreation and Parks Department, the St. Mary's County Board of County Commissioners, and the St. Mary's County Board of Education as additional insured. The county's liability insurance would become secondary and would be considered an addition to and not in lieu of the leagues primary coverage. All league advertisement should include whether or not medical insurance is provided by the league.
3. Establish and implement a fee reduction or fee waiver policy within the framework of its financial resources and commitments.
4. Accept any eligible participant, regardless of race, color, creed, sex, national origin, or physical capability.
5. Establish and implement league rules that require each youth to be placed on a team, and to play in each game for a reasonable length of time.
6. Submit league rules and program policies and procedures to Recreation and Parks Staff for review.
7. Ensure that member teams use proper, safe playing equipment.
8. Ensure that coaches, league administrators and officials refrain from using alcohol and drugs (including tobacco) on or near the playing fields, benches, dugouts, etc. and abide by the smoking laws while on public school property. Encourage all spectators and parents to abide by the park policy of No Smoking within 50 yards (150') of a game or practice area.
9. Advertise that fund raising efforts are solely for league operations.
10. Submit field use requests each season in writing and abide by the rules, regulations and policies that pertain to the use of the parks, recreation facilities or school grounds as determined by the Recreation and Parks and SMCPs.
11. Recreation & Parks may terminate the status of the league's use for failure to comply with the terms of this agreement. Should that occur, a priority usage of public fields and facilities would become secondary to other requests. Further, in extreme cases of disregard for the terms of the agreement, the Board may determine that field use permit shall not be issued to a league until appropriate actions are taken by the league to remedy the situation.

Crisis Intervention Plan

During a sports season league administrators may have to deal with unruly parents and spectators. Listed below are guidelines for effectively managing a potential crisis during a sports practice or game. Included in the guidelines are the steps to take if the league believes it is necessary to have someone removed from the playing area or the park.

1. Address parents and spectators in a manner that is respectful and non-threatening.
2. When league representatives speak to parents or spectators, refer them to the Positive Youth Sports Pledge posted in the park or placed in the facility.
3. If the unruly behavior persists, inform them that you may call the Sheriff's Department and request that they be removed from the site.
4. Once a police officer arrives, all action taken regarding the potential arrest of the individual is the decision of the police officer.
5. If the league desires that charges be filed against the offender and the officer does not believe justification exists, the league has the option of filing charges with the District Court Commissioner.
6. If any negative behavior warrants a parent or spectator being asked to leave the playing area, league representatives have the authority to inform that individual(s) they may not come within 100 yards of the playing area during league play or practice. This may include time when their child is participating. If they do not do so, this may be just cause for a No Trespass Notice being served on the individual for future games and/or practices.
7. If the league requests the Department of Recreation and Parks to serve a No Trespass Notice on an individual their request must be in writing to the Youth Sports Administrator and include the following:
 - Name of offender
 - Date, time and location of incident
 - Description of incident
 - Witnesses
 - Requested length of No Trespass period
 - Signature of league administrator
8. The Youth Sports Administrator/Sports Coordinator will initiate a review of the request with the offender, witnesses, and league administrator. A decision whether or not to serve a notice will be made within five working days of receipt of the request. The notice must be authorized by the Recreation Manager or Department Director. A copy will be given to the league, a copy will be sent via certified mail to the offender, and a copy will be on file in the Recreation and Parks office. The league should have a copy available if in the event a police officer is called to the park to address the offender.

Mid-Atlantic Recreation and Parks Sports Alliance

The Department of Recreation and Parks is a member of the Mid-Atlantic Recreation and Parks Sports Alliance. The Alliance is comprised of more than thirty (30) Recreation and Parks departments and sports organizations.
