

## St. Mary's Gymnastics Academy Recreational Coaches

We are dedicated to ensuring that every child has the opportunity to learn and develop from the amazing sport of gymnastics! This can only be accomplished with dedicated and experienced recreational coaches.

The SMG recreation program offers a unique platform for our coaches to pass on their skills and leadership expertise onto the next generation of gymnasts. Through former gymnastics experience and exceptional leadership abilities, our recreation staff will provide every child the opportunity to progress in their gymnastics skills as well as age appropriate motor development. Our coaches will come to class prepared and with high expectations. Your gymnast will work hard and of course have fun!
