

WHAT IS MARYLAND'S PERSONAL PROPERTY TAX

In Maryland, there is a tax on business-owned personal property that is imposed and collected by local governments. Personal property generally includes business property, including furniture, fixtures, office and industrial equipment, machinery, tools, supplies, inventory, and any other property not classified as real property. To provide for uniform assessments, the State Department of Assessments and Taxation (SDAT) is responsible for assessing all personal property. Each county or municipal government is responsible for issuing the tax bills and collecting the tax.
