Commissioners Commit Support to Education Initiative

LEONARDTOWN, MD – The Commissioners Tuesday signed a commitment letter outlining their support for the [ACT Work Ready Community](#) workforce development program.

The [program serves](#) to help people achieve workplace and education success through continuous learning opportunities. The success of the program comes through assessments and certifications that work to close skills gaps. Businesses and industries can communicate needed skills, and educators work to close skills gaps via career pathway tools. The College of Southern Maryland and the Department of Economic Development have partnered to introduce the program to St. Mary's County residents.

The Commissioners voted unanimously to support the program.

Commissioner decisions and related public documents are available on the county government website in [BoardDocs](#). St. Mary's County Commissioner Meetings may be viewed live Tuesday mornings on SMCG Channel 95 or as a replay Friday nights at 6:30 p.m. Meetings are also available for on-demand viewing on the St. Mary's County [Government YouTube Channel](#).
