**NEWS RELEASE** *for Immediate Release*

**No. 2022 – 153**

**August 4, 2022, 8:45 a.m.**

**Temporary Daytime Signal Outage at MD 237 / FDR Boulevard Intersection  
on Thursday, August 4th**

***Drivers Reminded to Remain Alert for Changing Traffic Pattern; Crews and Law Enforcement On Site  
Between 9 a.m. and 3 p.m.***

**LEONARDTOWN, MD** – The Department of Public Works & Transportation (DPW&T) is continuing its construction for the FDR Boulevard extension.

Starting at 9 a.m. Thursday, August 4, crews will deactivate power to the traffic signal, and traffic will be directed using a flagging operation at the MD 237 (Chancellors Run Road) / FDR Boulevard intersection. A section of sidewalk along northbound MD 237 just north of Fire Department Lane will also be temporarily closed to pedestrians. During this work, drivers may experience a brief delay and should use caution.

DPW&T's contractor Great Mills Trading Post, Co. is performing the work. Drivers should remain alert for equipment, work crews, and changing traffic patterns.

For more information about this project visit, <https://www.stmarysmd.com/dpw/FDRBoulevard/>. Anyone with questions can contact the Department of Public Works & Transportation at 301-475-4200, ext. 3525.
