About the Commission for Women

The St. Mary's County Commission for Women (CFW) champions women's issues and concerns. The CFW was created to address matters of specific concern to women in the areas of employment, education, health, public office, family, and legal rights. This very active group stays busy in our community reaching out to women in many walks of life. In addition, each year the CFW takes the time to recognize some of the female volunteers who represent the backbone of our community. The members are appointed by the Commissioners of St. Mary's County and report to them the areas of concern to women in our community. For more information, visit stmarysmd.com/cw.
